Charity Week, 2018 - cwinstitutions.islamic-relief.org.uk/

Al Ashraf Secondary School will be participating in **Charity Week** this year (IA). This will be taking place during the last week before the half term: **Monday 15th October – Saturday 20th October**. Charity Week is a week’s worth of fundraising, with many schools and universities participating not only around the country but around the world. It is a week where hearts are inspired, and minds are connected in unity to help support a great cause, fundraising for orphans and needy children. Different activities will be taking place throughout the week run by our pupils with the help of staff and parents (IA)

As well as developing valuable skills and coming together as one community, the students will be able to work towards gaining reward with the right intentions of being kind and charitable.

This year Charity Week is supporting projects in 7 countries – **Mali, Syria, South Africa, Afghanistan, Somalia, Pakistan and India**. The money raised will help support orphans and needy children in the form of education, child protection, medical care, mental health support, training, rehabilitation, maternity centres, water, food and vocational training, to mention a few.

This will be a great opportunity for girls and parents to contribute to help support and aid those around the world who are far less fortunate than we are. Pupils have been advised to start saving up their pocket money from now to spend and enjoy during Charity Week! This will help imbed the importance of giving charity within our girls (IA), which is extremely important to enforce. Spending in this cause will be beneficial and rewarding for us all (IA). May Allah (SWT) accept all our efforts and intentions, and reward us all, Aameen.
