KEY POINTS

* Schools are ranked according to percentage of pupils achieving 5 or more GCSEs at grades A* to C, including English and Maths.

Where two schools have the same percentage, the number of candidates is used as a tie breaker.

National average for all schools in England achieving 5 or more GCSEs at A* to C grade including English & Maths

53.80%

National average for Muslim schools in England achieving 5 or more GCSEs at A* to C grade including English &

63.91%
